Air Travel by Prometheus

As a result of the passage of the Intelligence Reform and Terrorism Prevention Act of 2004, the U.S. Transportation Security Administration (www.TSA.gov) banned lighters in commercial aircraft cabins in the U.S territories, effective April 14, 2005. The U.S. Department of Transportation (www.DOT.gov) has granted Prometheus with Special Permit (DOT-SP 14415) for its Lighter Travel Case and issued a clarification letter for Prometheus Traveler Lighter. Now, you have a choice in how you travel with your lighter in commercial passenger aircraft operating in the United States.

Leather Cigar Cases

Cigarette Cases

The Prometheus leather cigar cases are made in Spain. Our master artisans carefully select only the best leather to make the superb cigar cases. In order to prevent the wrapper leaves of cigars from getting damaged, our master artisans put the smooth and finest leather inside of the cases. The Prometheus leather cases are stitched carefully for durability and longevity.

The Prometheus cigarette cases are made in Germany. Our master metal craftsmen use metal for durability and decorate the cases with the old world designs of Europe.

Prometheus

Ashtrays

Prometheus ashtrays are produced in the Tuscany region in Italy by our master artisans. They are made in pure crystal with more than 24% lead content and with a refractive index superior to 1,545 in accordance with the CEE 69/43 specification. The transparency of the Prometheus crystal ashtrays is second to none, and their unique modern designs make them an elegant piece of art.
