Instructions for returning your Prometheus lighter for repair service

(revised March 2008)

1. Drain the butane gas from your Prometheus lighter.
2. Enclose your return address, day time phone number and e-mail address.
3. Enclose the necessary payment for the repair service. Make the check/money order payable to Prometheus International.

- The repair fee for discontinued lighter is \$25.

- We do not guarantee that we will be able to repair your discontinued lighter.

- Lighters that can not be repaired will be returned with your payment.
